

## Company-Sponsored Scholarships with Possible Internships

In the past, defense contracting and other high tech industries have offered scholarships with possible internships. For those continuing students and incoming freshmen interested in applying for a scholarship as well as a possible company internship, please see the information listed below:

### Criteria for Scholarship with Possible Internship:

1. Must be a full-time student committed to completing a baccalaureate degree on a full-time basis (enrolled in at least 12 credit hours) each Fall and Spring semester during the academic year.
2. Must have an overall GPA of 3.0 or greater. At this time not all ETCS majors are included but the following majors may be considered:
  - computer engineering
  - computer science
  - electrical engineering
  - electrical engineering technology
  - mechanical engineering
  - mechanical engineering technology
3. Must demonstrate academic ability to succeed at IPFW and agree to an academic progress review each semester.
4. Must provide a recommendation letter from an IPFW faculty member.
5. Student award winner may renew annually by reapplying. In order to be eligible, the student must meet the above criteria and be willing and eligible to accept an internship if offered by a company.
6. Must submit an essay (1-2 paragraphs) detailing career goals in their major and why they would like to be considered for the scholarship with a possible company internship.
7. Must complete a Media Waiver Form.
8. Must complete the attached application by **March 1, 2008**.

Completed application, essay, media waiver form, letter of recommendation, and latest copy of transcript should be submitted to:

Gerard Voland, Dean  
College of Engineering, Technology, and Computer Science  
2101 East Coliseum Blvd  
Fort Wayne IN 46805-1499
