

SCHOLARSHIPS

ENGINEERING (civil, computer, electrical, and mechanical)

Here is a listing of available scholarships. **Please complete a separate application for each scholarship for which you are applying.** Applications are **due by March 1, 2008.**

Scholarships vary in amount and availability each year and most are awarded in April. Visit <http://www.engr.ipfw.edu/resources/scholarships.shtml> or contact Esther at 260 (481-6362) for more information. Additional scholarships may be available through Financial Aid (481-6820).

Engineering, Technology, and Computer Science Scholarships for Excellence **(All majors)**

Criteria: Student can be full-time or part-time. Full-time students will be committed to completing either the associate or baccalaureate degree on a full-time basis and have taken at least 12 credit hours in the Fall 2007 semester and also in the Spring 2008 semester. MUST plan to take at least 12 credit hours for the Fall semester 2008. Part-time students will be committed to completing either the associate or baccalaureate degree on a part-time basis and have taken at least 3 credit hours in the Fall 2007 semester and also in the Spring 2008 semester. MUST plan to take at least 6 credit hours for the Fall semester 2008. Student must have a GPA of 3.0 and not be involved with a company tuition refund program. Scholarship is also available to incoming freshmen.

American Electric Power (AEP) Scholarship Program (CS, ECET, ENGR)

Criteria: Student can be full-time or a part-time continuing student or an incoming new student. Student must have a financial need and preference will be given to a minority student.

Armed Forces Communication and Electronics Association (AFCEA), Indiana Chapter Scholarship (CS, CmpE, EE, ECET) Criteria: Student must be a U.S. citizen and be majoring in electrical engineering, electrical & computer engineering technology or computer science. Student must be full-time and have a superior academic record.

John W. Johnson Memorial Scholarship (ME) Criteria: Student must be enrolled full-time with a GPA of 3.0 or higher and be an engineering major in the thermal sciences. Co-op students are eligible for their term in school.

Dr. Maurice S. M. Lam Memorial Scholarship (ECET, EE) Criteria: Student must be a degree-seeking student majoring in electrical engineering or electrical and computer engineering technology. Student will be selected on the basis of merit, with financial need a secondary consideration. This award alternates between ECET and EE. This year's recipient will be **ECET**.

++++
A SPECIAL APPLICATION IS NEEDED FOR THIS SCHOLARSHIP.

Northeast Indiana Engineers Society (ECET, ENGR, MCET) Criteria: Student should be a sophomore or junior and in a curriculum leading to a B.S. in engineering or engineering technology. Student must have graduated from a high school located in northeastern Indiana (contact department for list of counties). Go to <http://www.indiana-eweek.org/indiana-academic.html>.

ETCS SCHOLARSHIPS FOR EXCELLENCE PROGRAM FOR OUTSTANDING COMMITTED CONTINUING STUDENTS

PROGRAM ELIGIBILITY:

Awards will be made by each of the four departments of the College based on the following criteria:

1. **Full-time students** will be committed to completing either the associate or baccalaureate degree on a full-time basis and have taken at least 12 credit hours in the Fall 2007 semester and also in the Spring 2008 semester. **MUST plan to take at least 12 credit hours for the Fall semester 2008.**

Part-time students will be committed to completing either the associate or baccalaureate degree on a part-time basis and have taken at least 3 credit hours in the Fall 2007 semester and also in the Spring 2008 semester. **MUST plan to take at least 6 credit hours for the Fall semester 2008.**

2. Must have a GPA of 3.0 (B average) or greater in the major.
3. May not be involved with a company tuition refund program, but must be paying for the education from their own resources. However, may be receiving other financial aid including other scholarships.

AWARD BASIS:

Each department and the dean's office will select the students based primarily on scholarship, and secondarily on need.

ENTRY DEADLINE:

The application must be submitted no later than **March 1, 2008.**

All applications must be submitted to:

Gerard Volland, Dean
College of Engineering, Technology, and Computer Science
Indiana University-Purdue University Fort Wayne
Engineering Technology Building Room 243
Fort Wayne, Indiana 46805-1499

TO APPLY, PROVIDE FOR EACH SCHOLARSHIP:

1. Cover Letter
2. Application Form
3. Latest copy of transcript (see either Registrar or Department Secretary).

ENGR (CE, CMPE, EE, AND ME) SCHOLARSHIP APPLICATION FORM
